Principal’s Message

Curriculum

P-2 – What a fantastic time we had at the Under 8’s day at Clifton last Friday. We were so proud of students’ behaviour and the active participation they showed us for all the activities they attended. It was lovely to see so many Under 8’s enjoying themselves.

Assessments are nearly all finished and so we have begun new units of work which carry into term 3. The new English unit for the Year 1 and 2’s will be persuasive writing while the Preps will continue their journey into learning to read and write. This week’s focus in number facts is doubles plus 1. These number facts are identified by being those numbers that sit together on a number line, for example 5 + 6, 7+8, 9+10.

Year 3-6 – As we are nearing the end of the term there are a number of assessment items and tests the students are finishing off. It is great to see that the students are enthusiastic about their buildings and bridges in Science. It will be interesting to see if they can survive the natural disasters. We will be continuing with our English and History units through to the end of the term. Please be aware that some assessment items will be due on the last day of term.

Inter-house Athletics Carnival

On Wednesday we held our inter-house athletics carnival. It was great to see so many children eager to get out and have a go. It was a very special day and I would like to thank the staff and parents for their help with the day. It ran well and gave the students some idea of what to expect when we go through to Emu Creek early next term and compete against students form the Clifton Cluster. Children have been encouraged to practise towards this as Emu Creek is the event where we select our representational side for Allora Sports carnival later in term 3.

Toys At School

Parents please be reminded that students are not to bring toys to school unless it is a Wednesday for show and tell. The school doesn’t take any responsibility for personal items being brought to school. Any student found with toys from home will have them confiscated until the end of the day. If students persist with bringing in toys from school parents will be asked to collect the toys from the office. If you have any questions or queries please contact the school.

Travelling to school.

It is with some sadness that I have to inform the general community about travelling to school. It has come to my attention that some students are not making their way safely to school. Concern has been expressed that students are walking or riding on the roads in front of cars. Students have been spoken to at school about appropriate behaviour. If your child does walk or ride to school can you please make sure they are aware of the road rules. If there are any issues please contact the office to organise a meeting with Mr Gilmore to discuss.
**Parent teacher interviews**

Parent teacher interviews will be held in week 10 of the term. An expression of interest and timetable will be sent out early next week for all parents to indicate when or if they would like a parent teacher interview. The school will be more than happy to accommodate times as we can but it will be on a first in first basis. Look for the note early next week and please have form returned by Thursday 19th of June.

**Students Report Cards**

During week 9, starting the 16th of June each child will have their report card sent home. This is the end of semester report card that will identify how our child has progressed over the past two terms. The report card is in a 5 point scale. Parents and caregivers are reminded that when reading the report card, students who are attaining a ‘C’ or ‘Working at level’ attainment are on target and working at an age appropriate level. Anything above that should be celebrated as they are working beyond where they are required to be by their age. If they are working below that level please organise an interview with your classroom teacher to discuss the options and strategies that can help your child improve.

**Playgroup**

Last week in Playgroup the students created eggs out of dough, painted them and placed them into a nest. They had some fun at the Athletics carnival, running, jumping and experiencing it all. On June 18th the children will commence constructing their final dinosaur for this year. This time the triceratops (with the two horns) will come stomping in to the school. The children will also be starting some fun activities relating to the number five.

**Shoe Laces**

Parents and caregivers please be aware that staff are spending large amounts of time tying up shoe laces for students in many grades across the school. We understand that some students take longer to learn skills and concepts. Please persist with students who are struggling to tie their own laces at home.

**School Banking**

School banking will occur on a Thursday. Please place all banking in the school box in the office no later than 9am Thursday.

**Students of the Week**

**Week ending 30th May:**

_Congratulations_ to Caleb for working well in all educational areas and Ned for doing his best in class.

**Sight Word Certificates**

_Congratulations_ to: Jacob, Nathan, Abbie, Eli and Jackson for M100W – sight words awards.

**P & C NEWS**

Next Friday is our Pub Raffle. Thank you the Royal Hotel, for their $20 voucher. We also have two $50.00 meat trays. Thank you to the volunteer selling tickets for this raffle.

We are looking for volunteers to sell the Pub Raffles on a Friday evening so a roster can be made up. These raffles only occur every fortnight and not during the school holidays. If you can spare a couple of hours on a Friday evening, this would be appreciated.
We have organised a Pie Drive from Deb’s Bakery. Orders to be returned to the school office by Tuesday 22rd July. Delivery date will be 1st August. Order can be collected from School, time to be advised. Order forms are available from the school office, Leyburn Store and Leyburn Post Office. 
Your support of this fund raiser would be greatly appreciated.

Community orders are welcome.

Please mark your calendars for the Leyburn Sprints. We are again running the bar opposite the school. We are looking for volunteers to man the bar over the course of the weekend. Please see me if you can help.

The funds we raise through this venture, go back to support our children.

If you are wishing to purchase uniforms, please see one of the P&C committee – Maree or Melinda on Monday or Wednesday morning and one of us will be able to assist you.

Hats - $15.00, Shirts - $25.00 and Jackets $35.00.

If you are willing to help us with any of our fund raising ventures throughout the year please do not hesitate to contact us.

10th ANNUAL HISTORIC LEYBURN SPRITS
23rd & 24th AUGUST 2014

Hi All

WOW! Hana’s Hair Cuts was the very first sprits run by the Goobinda Committee to raise the $1000.

This year the Committee has chosen to use your support to support Breast Cancer. Hopefully all going well the helicopter will be back this year. The only thing stopping them is the weather so lets hope some nice days will be around for our weekend in August.

The committee was disappointed not to see the Local Motorbike Club finish and would like to talk to all the local traders and invite them to come and share the fun with us on the weekend. We will give each local trader two free tickets if they don’t already live within the town area however you will need to have market stall insurance. If you are interested contact me either by email or give me a call and I will send you an invitation to look through and answer all your questions. It would be great to see more local traders.

Again we will be hosting a Show & Shine on Sunday, but also this year Michael Salvato with the help of Gypsy Rose are running Retro Caravan Show Off in three categories with prizes money. Also Rock a Roll band “THE XEN MY NITE BAND” will be playing all the best rock & roll music with a dance floor area at the Pub on the Saturday night, so don’t forget to dress in your Rock a Billy shoes and join in the fun.

Thank you
