Principal’s Message

Curriculum
P-2 – As we draw close to the end of term, I would like to take this opportunity to thank the volunteers who help out in our classroom. Anne Facer, Noreen Window and Shannon Hart willingly offer their time to give extra support to the children in the classroom and Cheryl Facer has been a long time volunteer with sport practise on a Friday afternoon. Thank you very much, your assistance is certainly appreciated. It has been a busy term so I am sure we are all looking forward to the fortnights holiday at the end of next week. Enjoy your time with your children and I look forward to seeing their smiling faces when third term begins.

Year 3-6 – Over the last two weeks of term students will be finalising their assessments, completing their CWA competition and getting ready for the open morning on Thursday 25th of June. Student lessons in Reading, Spelling, English and Math as well as review lessons in other key learning areas will continue through to the last day of term.

Attendance
Our current attendance has increased to approximately 89%. This is fantastic to see and I would like to thank all the families who have put in the extra effort to make this happen. It has also been pleasing to see so many parents keeping the school informed of what is happening with children absences.

Today there is a review of absences going out to each family. Please take the time to read through and indicate any issues that have been identified. The form is due back to the school by Thursday 18th of June for reporting purposes. If you wish to discuss student attendance please contact Mr Gilmore via the office.

Report Card
Later in the week report cards will be going out to all families. Please take the time to discuss with your child their results. While many people just focus on the result, the comment is often more important as this explains what you child can do and areas that they may need to improve. If you wish for more of an explanation of the report card, please contact the school and organise a time to attend a meeting.

Small Schools’ Athletics
In week 10 of this term all students will be attending the Small Schools Athletics Carnival being held at Emu Creek State School. On Wednesday 24th of June, students who are 10 years of age and older will be travelling through to Emu Creek SS for a ½ day of athletics. On Friday the 26th of June, the last day of school, all students will be travelling through to Emu Creek SS via bus for the full day of athletics. Parents are welcome to attend and support their children. Please note the venue change for this event from pervious newsletter)
Parent teacher interviews
On Wednesday 17th of June a letter will go home for parents to express a time and date for parent teacher interviews. Interviews will be held starting Monday 22nd of June. Please indicate the preferred times on the sheet and return back to the school as soon as possible to secure your preferred time.

Fundraiser BBQ Pittsworth Saturday 20th June
This Saturday commencing at 8.00am to 2.00pm there will be a fundraiser BBQ at Woolworths in Pittsworth. Parents who are able to help during this time please contact the school office to indicate times.

Anita Archer – Explicit Instruction
Over the course of the last week there were a number of different areas that we addressed. Many of these have implications for delivery of instruction at the school as well as expectations of students and teachers. Over the next few newsletters I will be sharing some of the more interesting research and techniques that were presented at the course.

This newsletter I would like to present the difference between fixed mindset vs growth mindset.
A fixed mindset has the following attributes;
-Performance related to fixed, inherent attribute
-Doing well – due to inherent quality not learning or effort
-Risks – won’t take them for fear of failure
-Doing poorly – retreat, give up; can’t handle failure
A growth mindset has the following qualities;
-Performance related to effort and learning
-Doing well – due to effort and learning
-Risks – willing to take risks
-Doing poorly – learn from mistakes.

This research came out of looking at Olympic hopefuls and those who achieved. It was then extrapolated to other areas and seen to have the same results. For children we want to foster a growth mindset. Where children are willing to take risks and learn from their mistakes.

Camp
This year’s camp location has been booked. The dates for this year’s camp are 21st – 23rd of October at North Shore Retreat. The final program, times, menu and operations matters are still being organised. The cost of the camp will be approximately $50.00 per students. This includes all transport, food, accommodation and activities. While we would like to have all parents and community members attend the camp there is very limited seating for transport and accommodation.

As such, only parents who are successful in applying for camp will be offered to attend.

Tuckshop
Tuckshop will now be held each Friday. Orders are due into the tuckshop or Leyburn General Store by Thursday.

Playgroup
Last week the children did the letter W. They practised their cutting skills on windmills, wombats, worms and watermelons. They also did dot to dot writing of their names.

This week we will be investigating the letter A with many fun filled A activities planned.

All community members are welcomed to attend playgroup. It is held each Wednesday from 9.00am – 11.00am. If you would like more information please contact the school office.

School Banking
School banking will occur on a Thursday. Please place all banking in the school box in the office no later than 9.00am Thursday.
