Principal’s Message

Curriculum
P-2 A big Thankyou to everyone who came to watch the children perform their poetry in our presentation morning. Mrs Casbolt and I were very proud of the children’s efforts and how they all recited their poems, most with actions and not too fast. The children were looking forward to the performance so it was wonderful to have such an appreciative audience to watch them. Can I also take this opportunity to thank Mrs Noreen Window and Ms Merle Maroske for the volunteer work they undertake every week with our students. Having the extra bodies in the classroom enables us to work in smaller groups, which means more explicit teaching for the students and their individual needs. I would like to wish everyone a very restful holiday and look forward to our last term.

Year 3-6 – The students have finished off the term with a busy few days. They have been getting ready for their poetry presentation as well as viewing some wonderful gardens in Toowoomba that will help inform their work in visual arts next term. The class has worked well this term and I hope they are able to keep up the wonderful effort towards the end of the year. Next term we are looking at forces and motion in Science, The world around us in Geography, continuing with our writing in English and also focusing on number, fractions, space, measurement and change in Mathematics.

School Watch
Over the school holidays please keep an eye out on the school. If you see any suspicious behaviour please contact 13 17 88 to report this.

Swimming Pool
At the moment you will notice that the pool is empty. This is due to a number of leaks. Currently the school is awaiting for extensive checks to determine the final issue before any works will commence. During this time swimming lessons will still be held but organised in a different format and held at another location. More information about this will go out in the first week next term.

Term 4
Please be aware that term 4 starts on Tuesday 7th of October due to the Labour Day holiday on the Monday.

School Photos
School photos will be held on Friday the 17th of October. Notes for this were sent home at the beginning of this week. If you require more information please contact the school.

Working Bee
On Saturday 11th of October the P&C are holding a working bee to spruce up our gardens. If you are able to help please keep an eye out early next term for a reminder. Even if you can only spare a few minutes it will make all the difference.
Values Statement
We are currently pulling together the responses from the school community and are hoping to show our new value statement soon.
