Principal’s Message

Curriculum
P-2 – As you read this snippet, your children will have enjoyed a day of “fun and frivolity” as a reward for the hard work and good behaviours they have exhibited over the term. I am very proud of how they have all grown both educationally and socially within our wonderful school. I am especially pleased with the continued and consistent improvement all the students have shown with their reading and story writing. We are also making good progress with learning to be more independent in the classroom, which means attempting a task before asking for help. It has been a busy term so I am sure we are all looking forward to the two weeks holiday. Enjoy your time with your children and I will look forwards to seeing their smiling faces when 3rs term begins.

Year 3-6 – This is the last week of the term. It was great to see the improvement of all students, in a number of areas. The year 3 and 4 students tested their bridges and while some did not pass the test they were all well thought out and impressive when they tried something different. Students have also been showing their understanding of what is healthy by reflecting on their diets, what nutritional information tells us and writing a recipe to show a healthy meal. Next term will be busy with students learning more writing techniques as well as participating in a variety of sport days and interschool activities. I hope all students across the school have a safe and happy holiday and return refreshed for a busy new term.

Travelling to school.
It is with some sadness that I have to inform the general community about travelling to school. It has come to my attention that some students are not making their way safely around the community. Concern has been expressed that students are walking or riding on the roads in front of cars. Students have been spoken to at school about appropriate behaviour. If your child does walk or ride to school can you please make sure they are aware of the road rules. If there are any issues please contact the office to organise a meeting with Mr Gilmore to discuss.

School Watch
Over the holidays please keep an eye out on the school. If you notice anything out of the ordinary please contact school watch on 13 17 88 and report the incident.

NAIDOC Week Celebrations
This year on Friday the 18th of July all students will be travelling through to Clifton to attend NAIDOC day celebrations. This event is heavily support by the local schools and has been running for the past 3 years with over 300 students attending from 9 schools. This year is set again to be a great day with a number of interesting activities already planned. Students have been involved this week by working a school art piece which will be displayed and judged on the day. More information about the day will be out at the start of next term.
Students Report Cards
Last week student report cards were sent home along with an invitation for all parents to attend a parent teaching interview. This is a great opportunity to talk to the teaching staff about your child's progress and how they are working at school. If you were unable to attend please contact the school office to organise a meeting for early next term.

Playgroup
Over the past week students have been having fun in the playgroup. They began some new activities involving farm animals, played some rhyming guessing games and completed some arts and craft involving farm animals. We also received our new playgroup t-shirts and the children look wonderful in them. I look forward to next term where Mrs Facer will continue to work with the students around a number of exciting activities. Please come and enjoy the fun.

Emu Creek Athletics Carnival
Next term in week 2, on the 23rd and the 25th of July the school will be attending the Emu Creek Athletics Carnival. At this event there will be the opportunity for students aged 9 years old and above to participate against other students from the area in a variety of track and field events. On Friday the 25th all students will be attending the Athletics carnival for a day of fun and friendly competition. Please keep an eye out early next term as notices will be out in the first week informing parents of travel arrangements and what students are to bring.

School Banking
School banking will occur on a Thursday. Please place all banking in the school box in the office no later than 9am Thursday.

Teaching Principal

19TH ANNUAL HISTORIC LEYBURN SPRINTS
23rd & 24th AUGUST 2014

Hi All

WWAV: More than 200 from the very fast sprinters run by the Goldsworthy Committee in the 19th Sprint.

This year the Committee has chosen to raise funds for Taree Cancer. Hopefully all going well the helicopter will be back this year. The only thing stopping them is the weather so lots large next days will be around the race weekend in August.

The committee was disappointed to see the Local Market Stall does small and would like to talk to all the local traders and encourage them to come and share the fun with us on the weekend. We will give each stall holder two free tickets if they don’t already live within the town area. If you are interested contact me either by email or give me a call and I will send you an agreement to look through and answer all your questions. It would be great to see some more local traders.

Again we will be holding a Show & Shine on Sunday, but also this year Michael Silverstone with the help of Gippy Ross are running Peter Classic. Steve Ollin also enters with prize money. Also Rock a Roll band “THE SKYKE BAND” will be playing all the best rock n roll music with a bonus show at the pub on the Saturday night. So don’t forget to dust off your Rock n Roll shoes and join in the fun.

Think you
