Leyburn State School is participating in the Warwick Daily News and Chronicle ipad promotion. We are encouraging families and community members to collect the tokens. Each day a token will be published in the Warwick Daily News and the Chronicle. All schools who are participating will have an equal chance of winning. Please help out where you can. A huge thanks to those community members who have already sent in their tokens. We currently have 184 tokens from the Warwick Daily News and 195 tokens from the Chronicle. Friday morning will be the last time to get the tokens.

Curriculum
P-2 – Our second last week of term and how quickly it has gone. I am very proud of the way the children have progressed in all their learning and attempted to complete tasks to the best of their ability. We have just about completed all our assessment tasks and can look forward to an Easter themed last week of school with maybe just a few special surprises. Thank you to all the wonderful volunteers who have helped throughout the term – I hope you are ALL happy to come back. You allow our day to run more smoothly with more individual attention for the children. As this is the last newsletter before the holidays, I would like to wish you all a Happy Easter and look forward to an even better second term.

Rebecca

Year 3-6 – The last two weeks of term will be very busy for the year 3-6 class with students engaged in various assessment items. The students are starting a new unit of work English. This unit is based on persuasive writing and traditional Asian stories. In Math the students will be consolidating their learning from the term with assessments in the last week of school. Geography’s assessment is a series of monitoring tasks that the students have been working on over the term. In Science, students will be creating their own experiments and to test an outcome.

NAPLAN Practice
In the last week of school all students in grades 2-6 will be involved in a practice NAPLAN test. This will allow the students in year 3 and 5 practice towards this year’s NAPLAN as well as allowing for teaching staff to gauge students’ progress over the past 12 months. If you wish to know more please see Sam Gilmore.
