

Investing for Success

Under this agreement for 2022 Leyburn State School will receive

\$22,858*

This funding will be used to

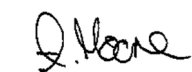

- Increase the number of students achieving at/above PM Regional Reading Benchmarks (as a minimum) at the end of term 4 from 31% of students (8 out of 26 students in 2021) to 65% (18 students out of 27 students in 2022).
- Ensure that 85% percent of students (22 out of 27 students) are receiving a 'C' or above in English and Mathematics in 2022 and increase the amount of 'A' and 'B' in English and Mathematics from 15% (4 out of 26 students in 2021) to 37% (10 out of 27 students in 2022)
- Continue to implement and strengthen teacher capability in actioning Leyburn State School's Whole School Plan and Reading Framework ensuring the Australian Curriculum is aligned to the Queensland Kindergarten Learning Guidelines.

Our initiatives include

- Provide targeted professional development and coaching to strengthen teachers' understanding of the Australian Curriculum and alignment with the Queensland Kindergarten Learning Guidelines.
- Using data walls to track student outcomes with dedicated professional learning community (PLC) sessions that provide timely targeted case management of identified students.
- Provide focussed and intensive intervention by teacher aides for students requiring additional support.
- Develop and enact responsive intervention plans that are informed by student data and case meetings with DoE pathologists and other professionals.

Our school will improve student outcomes by

Funding a Department of Education Speech Language Pathologist fortnightly to assist in the development, support and implementation of Speech, Reading and Literacy intervention programs.	\$13,307.32
Providing professional development opportunities for intentional collaboration between Principal, Teachers and other relevant Department of Education staff and colleagues to enhance student outcomes.	\$1100.00
Funding a Teacher Aide to work with identified students to deliver case management and data informed Literacy and Numeracy intervention programs.	\$8,450.68
