Creating Rituals

With the end of the school year fast approaching, now is the time to consider special *RITUALS* that you may include in your end of school year wrap up.

Rituals create *connection*, provide **grounding** by being a regular event and allow you to be **present**.

No matter how **BIG** or small your child's success this year (*and yes there is always growth and change and it's not always on the report card!*), it is important to acknowledge it. **RITUALS** at the end of a term or year do not need to be flashy or expensive, it is all about time together. Maybe for your family it is a *special after-school ice cream*, a *family movie night*, a **celebratory dinner**, a crafting activity, a bike ride *board games*.

Remember that it is a way to *bring closure to the year*, **acknowledge** achievements and to start the holidays off with some **JOY**.
